Biography

As a mathematician I think in a structured way, solving problems by logically unravelling the obstructions. As a Data scientist I am developing a broad range of practical skills, and I am expanding my creativity and communicative effectiveness. By volunteering, following extra-curricular courses, and working at socially-aware companies, I try to stay socially and environmentally conscious. I am positive, independent, ambitious, resourceful, a quick learner and an efficient communicator.

Work experience

Research assistant | Msc Fellow   09/2021 - today
LASIGE (with Alcides Fonseca and Feedzai)
University of Lisbon

Optimization of Machine Learning Feature Engineering.

Research assistant | Msc Fellow   02/2021 - 08/2021
LASIGE (with Tiago Guerreiro)
University of Lisbon

A personalized approach to gait analysis for motor impaired people.

Software engineer and Data scientist   02/2019 - 08/2020
Impact Institute | Amsterdam

Research & Development team. Main achievement: Global Impact Database.

High school tutor   09/2014 - 01/2018
OVER huiswerkbegeleiding | Amsterdam

Education

Data Science (M.Sc.) | GPA: 17 (/20)   09/2020 - today
University of Lisbon

Machine Learning • Parallel Computing • Statistics • Databases • Bioinformatics

Mathematics (B.Sc.) | GPA: 7.06 (/10)   09/2014 - 01/2019
University of Amsterdam

Algebra • Real analysis • Number theory • Topology • Statistics
Bachelor's thesis: „p-adic numbers and the local-global principle".

International Development (Minor)   09/2018 - 01/2019
University of Amsterdam

Spanish (Minor)   09/2016 - 12/2016
Pontificia Católica Universidad de Chile

Other activities

Coordinator | Volunteer   10/2019 - 09/2020
Buurtbuik West | Amsterdam

Student Ambassador | Leader Creative Committee   02/2017 - 08/2017
International office University of Amsterdam

Football trainer | Volunteer   09/2016 - 12/2016
Escuela de Fútbol Clotario Blest | Santiago de Chile
